

OVGC presents a short film *Watershed Revolution*

Watershed Revolution explores the question “What is a watershed?” through interviews with the conservationists working for watershed preservation, while stunning cinematography by Rich Reid brings to life the beauty of the river. The challenges faced by the main source of water for a thirsty community are brought to light in a way that will forever change your perceptions.

Q & A to follow with local water heroes

Wednesday, June 24, 2009

7 p.m. • Chaparral Auditorium

414 E. Ojai Avenue
