The Food and Agriculture Action Committee

presents:

Supporting our Planet
... One
Bite
at a Time

"Supporting our Planet.... One Bite at a Time" is our mantra!

Every choice we make about buying fresh and nutritious food, grown by our region's farmers, is a choice for the health of our environment -- **both for the Ojai Valley and the global community.**

We look forward to sharing **an evening of film & media, gardening programs, books and what the food lovers of our valley are doing** to add to our enjoyment of life and our food security through **sustainable agriculture. Please join us on April 24th!**
